THE EAST LEAGUE RULES - APRIL 2017

All references within these Rules to the male gender are purely for brevity. Women and girls are as welcome as men and boys as players, umpires, scorers and administrators in the East League.

1. ADMINISTRATION OF LEAGUE

The League shall be administered by the General Committee of the East of Scotland Cricket Association, in accordance with the League Rules and within the terms of the Constitution.

2. COMPOSITION OF LEAGUE

- 2.1 The League shall be divided into Divisions. The General Committee shall determine annually the number of Divisions and the number of teams within each Division. The top East League Division shall be known as the Championship. A specific sub-set of rules apply only to the Championship - these are included as Appendix C.
- 2.2 No club may be represented by more than one team in any one Division with the exception of the lowest division.

3. PROMOTION AND RELEGATION

At the end of each season, subject to the provisions of Rule 2.2, promotion and relegation will take place as follows.

- 3.1 2 teams shall be promoted from each Division (except the top Division) to the Division above.
- 3.2 If a team is relegated from CSL Eastern Premiership (CSLEP) to the East League, and no team promoted from the East League to CSLEP, the bottom 3 teams in each Division shall be relegated to the Division below.
- 3.3 If either one team is relegated from CSLEP to the East League, and one team promoted from the East League to CSLEP, or no team relegated from CSLEP to the East League and no team promoted from the East League to CSLEP the bottom 2 teams in each Division shall be relegated to the Division below.
- 3.4 If no team is relegated from CSLEP to the East League, and one team promoted from East League to CSLEP, the bottom team in each Division shall be relegated to the Division below.
- 3.5 Any team failing to fulfil three fixtures will be automatically relegated to the next lowest division.
- 3.6 Any team failing to fulfil more than three fixtures shall be automatically relegated two divisions.
- 3.7 Any team failing to fulfil six or more fixtures will be deemed to have withdrawn from the League competition, shall have all results expunged from completed and defaulted games, and shall require to re-apply for admission to the league in accordance with 3.9 below.
- 3.8 To fulfil a fixture a team needs 9 or more players in the Championship and Division 1, 7 or more players in other divisions.
- 3.9 Any team in the lowest Division of the East League failing to fulfil three or more fixtures during the course of the season shall require to apply for readmission to the East League at the next Annual General Meeting of the Association along with any other team seeking admission to the East League.
- 3.10 For each team that has failed to fulfil three or more fixtures in the season, a club must pay a £100 deposit to compete in the League in the following season. The deposit must be paid prior to the 31st March before the start of the following season, or that team will be removed from the League. The deposit will be returned at the end of the following season, provided that the team has fulfilled its fixtures and did not default on more than two occasions.

4. FIXTURES

- 4.1** The General Committee shall arrange fixtures for each Division and shall notify clubs of such fixtures as soon as practicable each year. No alteration to these fixtures shall be made other than with the prior agreement of both clubs concerned and notification in writing to, and consent given by, the Competitions Committee. Fixtures in each Division, other than the lowest, will be arranged on the basis of each team playing one another twice during the season, one at home and the other away. In the lowest Division the fixtures shall be arranged so that each team shall have at least one fixture arranged with each other team.
- 4.2** Clubs may re-arrange fixtures to a different date by obtaining the consent of their opponents and the Competitions Committee. No re-arrangements may take place where a match has been cancelled or abandoned due to bad weather, or where the rescheduled date is after the last scheduled weekend of the East League season

5. TROPHIES AND PRIZES

The General Committee may award trophies or other prizes for team or individual performance in any Division of the East League. No trophy or prize for individual performance may be awarded to a paid or overseas player.

6. PLAYING CONDITIONS

- 6.1** All matches shall be played in accordance with the current MCC Laws of Cricket (2000 code 6th edition – 2015).
- 6.2** Clubs playing in the Championship and First Division of the East League must recognise their responsibilities for producing a satisfactory playing surface as well as ensuring that their grounds and facilities are up to an appropriate standard as shall be determined by the Competitions Committee in its sole discretion.
- 6.3** Although preference should be given to natural turf pitches where possible, an artificial pitch may be used in any Division other than the Championship provided the away team is notified 48 hours before the fixture. If notification is not provided 48 hours in advance, an artificial pitch may be used only with the agreement of both teams.
- 6.4** The home club in any fixture shall be responsible for the provision of a pitch (and notification of the venue to opponents not less than 48 hours before the fixture), regulation stumps and bats, for the proper marking of the pitch and boundary, and for a scoreboard (Rule 17.9). Each team shall otherwise provide its own equipment, including a ball of a type approved by the General Committee. Each team shall bowl with its own ball.
- 6.5** In the event of bad weather the home team is responsible for informing the away team as soon as possible that no play is likely to be possible. The away team has the right to travel (unless an independent groundsman or umpire declares the pitch unplayable), and the home team must then take steps to facilitate the playing of a game. Clubs should bear in mind that shortened games can take place under Rule 11.3 if the weather improves. In the event that a game is called off 24 hours or more prior to the starting time then the away club has the right to host the fixture if the away club can provide a ground and the home team is informed by 6pm on the day prior to the game.
- 6.6** The General Committee shall prescribe from time to time the type or types of ball which may be used for East League matches and may prescribe different balls for use in different Divisions.

7. PLAYERS

Any Club playing a player who is not eligible to be registered as described below in Rules 7.1, 7.2 and 7.3 will forfeit the game(s) in which the player takes part.

- 7.1** Except as provided for by rule 8.6 and juniors as covered by rule 8.3, no player may play East League cricket if they have played a competitive game for any other club in the United Kingdom (UK) that season without first obtaining the permission to do so from the Competitions Committee. Such permission will only be given provided the request is received by the end of July and where the player's previous club has confirmed that it has no objection to the change of club. The Competitions Committee has the power to overrule the wishes of the previous club.
This rule will not apply to midweek competitions or to University or college competitions.

7.2 Overseas Player (all Divisions except the Championship)

No club may play more than one Overseas Player in any East League match. An **Overseas Player** is any player not qualifying as a Domestic Player as per 7.3 below.

- 7.2.1 No Overseas Player who has played 1st Class or List "A" cricket as defined by the Association of Cricket Statisticians, may play in any match below Division 2 of the East League.
- 7.2.2 If an Overseas Player is to be paid for playing cricket, or employed by the cricket club in any capacity, the club must ensure that work permits and other immigration documentation are in order. The Competitions Committee shall have the right to refuse any registration until sight of such documents, or written confirmation that they are not required has been received.

7.3 Domestic Player (all Divisions except the Championship)

A player shall be defined as a **Domestic Player** provided he meets at least one of the following criteria.

- 7.3.1 A **Domestic Player** is a player who is resident and has been resident in the UK for at least 90 out of the 120 days before any match. However, even if this residency criterion is met, no player may play as a Domestic Player if he/she has been a Paid Player (as defined in Appendix C) at any time in the 36 months preceding any match, except with the special permission of the Competitions Committee.
- 7.3.2 **Where the above residency criterion is not met**, he has received special permission to play from the Competitions Committee. Such permission shall only be granted where the player has a demonstrable, long-term connection to Scotland, or has moved to Scotland for the purposes of education or full time employment unconnected with employment by a cricket club or cricket-related employment by a school. It is unlikely that such permission will be granted for any player who, in the last 36 months preceding any match, has played cricket as a Paid Player, Overseas Amateur (both as defined in Appendix C) or Overseas Player.

For the avoidance of doubt, it is the responsibility of clubs to ensure that their players comply with the above requirements. Requests for special permission should be made in sufficient time to allow the committee to make enquiries regarding the circumstances. No player may play while a request for special permission is pending.

- 7.3.3 If a club chooses not to register an Overseas Player, it may employ one Domestic Player as a paid player or coach. Apart from this, no player, other than an Overseas Player as defined above may be paid or receive any monetary or other inducement to play cricket, or to facilitate playing cricket in

matches under the jurisdiction of ESCA. Expenses as permitted under Rule 9 shall not be deemed to breach this stipulation.

7.4 Selection of Players

The penalty for any breach of these rules will be decided by the Competitions Committee.

If ESCA consider that the use of higher players is conduct detrimental to the game of cricket, the match shall normally be awarded to the non-offending team, with league points being allocated 20-0.

- 7.4.1 No player who has been selected for a representative squad or team at area level or above, at any age group, shall play in any match in any ESCA competition on the day of the scheduled representative match without the written permission of the manager of the relevant representative side.
- 7.4.2 No club which has more than one team in the East League or any other League shall be entitled to play any player in different teams engaged in a League fixture in the same weekend, unless specific permission has been granted in advance by the Competitions Committee.
On a weekend when a team has league matches on both Saturday and Sunday, this rule may be relaxed provided that clubs inform their rep in advance and do not use players who normally play for a higher team.
- 7.4.3 On a Saturday when all a club's teams are scheduled to play, a player who normally plays for a higher team may drop down one team, but not two. The divisional rep should be informed about such 'dropped' players by 10pm on the Thursday prior to the match. This will negate suspicion if the match for the higher team is later cancelled.
- 7.4.4 On a weekend when one (or more) of a club's teams is scheduled to play on a Sunday, a player who normally plays for a higher team may drop down one team, but not two. No player may however drop down more than three divisions (including CSLEP) without the permission of the Competitions Committee, unless all of the club's teams are playing on the Sunday. The divisional rep should be informed about such 'dropped' players by 10pm on the Thursday prior to the match. This will negate suspicion if the match for the higher team is later cancelled.
- 7.4.5 On a day on which a club has a higher team with no league fixture, it is not acceptable for a player who normally plays in a higher team to move down even one team, unless covered by 7.4.4. Where doubt exists, the divisional rep should be contacted by 10pm on the Thursday prior to the match.
- 7.4.6 "Normally" shall be defined by the Competitions Committee/Divisional Rep. in the light of each case.
- 7.4.7 Penalties – If all a club's teams are playing and the club fails to inform ESCA of a player moving down a team, no penalty will apply.

8. PLAYER REGISTRATION (ALL DIVISIONS EXCEPT THE CHAMPIONSHIP)

- 8.1** In order that the Competitions Committee may administer the rules relating to player eligibility, clubs should ensure that the majority of players are registered at least 7 days before the first match of the East League Season. Should this not be possible, the club is responsible for contacting the Competitions Committee as soon as possible, but definitely before this deadline. Player registration will be done online using the East League Match Results and Statistics site providing the following information for every player:
- First name and Surname
 - Date of birth for juniors as specified in Rule 8.3 below
 - Indication of overseas status as specified in Rule 7.2 above
 - Normal UK residential address for all except juniors aged Under 16 as defined in 8.3.
- 8.2** Provided that a Club has complied with Rule 8.1 above, it may register additional players until the end of the Monday following the first match in which they have played. The club is responsible for informing the relevant divisional representative of the player, their registration number, their position in the batting order and any other relevant contributions made in the match (i.e. catches or stumpings) by the same deadline so that they can update the match return should it already have been completed.
- 8.3** Players attaining age 16 on or after 1 September of the previous season may play for more than one club and may play two games in a weekend provided that one of the games is not an CSLEP or Scottish Cup match. The player should be registered with all clubs for whom they play as specified by rules 8.1 and 8.2 with their date of birth completed. Under 16 players may not drop down more than three divisions (including CSLEP) from their normal team without permission from the Competitions Committee.
- 8.4** The following points deductions will normally be applied where a Club fails to comply with the requirements of rules 8.1, 8.2 and 8.3:
- Failure to complete the preseason registrations as specified in Rule 8.1 - 10 points deduction for all teams within the club.
 - Failure to register one player as specified in Rule 8.2 – 5 points deduction for the team.
 - Failure to register two or more players as specified in Rule 8.2 – 10 points deduction for the team.
- 8.5** No player registered on PlayerReg as a Paid Player may play in any East League match, other than in the Championship.
- 8.6** Players registered with one club may play for a second club provided the agreement is ratified by the ESCA General Committee, and is within the guidance of Appendix D.0

9. EXPENSES

A club shall be entitled to pay expenses to any player to defray the cost to that player of travelling to any League match or to a rendezvous point prior to travelling to any League match without that player being deemed to be a paid player, provided the expenses so paid do not exceed a rate per mile of necessary travel at such rate as may be fixed by the General Committee and intimated to clubs from time to time, or the equivalent rail or bus fare. Any club which pays expenses to any player as aforesaid shall maintain a record of all expenses so paid and shall allow access to any person appointed by the General Committee to such record and to any other books of account maintained by the club. The ESCA Committee must be informed of all players receiving expenses.

10. START AND FINISH TIMES

- 10.1** All East League **Championship** matches shall, unless otherwise agreed by both clubs or where the Committee consider it appropriate and reasonable, commence at 12 noon – see Appendix C for details. Matches in all other divisions shall commence at 1.00 pm, 50 over matches starting at 1pm should be finished by 8.10pm; and 40 over matches by 6.50pm.
- 10.2** Matches may start at other times with the agreement of both sides prior to the date of the fixture and confirmed with the Divisional Representative.
- 10.3** The Home team shall ensure that a representative is present, on the ground where the match is to take place, at least 30 minutes before the defined start time.
- 10.4** If a team does not have 7 players ready to start by 15 minutes after the defined start time, then that team shall automatically lose the toss.
- 10.5** If a team does not have 7 players ready to start by 30 minutes after the defined start time, there shall be a deduction of 5 points from that team's total points for the season.
- 10.6** If a team does not have 7 players ready to start (9 players in the top three divisions) by one hour after the defined start time, a win shall be awarded to the other team.

The provisions of rules 10.5 and 10.6 may be waived by the Competitions Committee if it is satisfied that the offending team made every effort to arrive on time, but was prevented from doing so by circumstances beyond its control.

Rule	Time after scheduled start	Min. number of players required	Penalty against offending team
10.4	15 minutes	7	Loss of toss.
10.5	30 minutes	7	5 point deduction.
10.6	1 hour	7 (9 in Championship, Divs 1&2)	Win awarded to non-offending tea. 20 points to nil.

11. DURATION OF MATCHES

- 11.1** Except as detailed in 11.3 below each team competing in a match shall be entitled to bat for 50 overs in Championship and Division 1, or 40 overs in other Divisions.
- 11.2** No points shall be awarded in matches which are not completed, and in which the provisions of Rule 13.1(c) do not apply.
- 11.3** Where the weather conditions indicate that the full number of overs may not be completed, the umpires have the power to reduce the number of overs to be played by multiples of 5 overs per side. In games with no appointed umpires, captains can agree to delay the start of the game if there is inclement weather or, if the forecast is poor for later in the day, agree to play a shortened game.

All reductions are subject to a minimum length of 30 overs per innings in the Championship and Division 1, and 20 overs per innings in other Divisions. No reduction in the scheduled number of overs is permitted after the start of the match, with the following exception:

If, shortly after the start, there is a significant interruption, sufficient that it becomes unlikely the game can be completed, the match may, with the agreement of both captains, be restarted.

Everything occurring before the interruption will be deemed not to have happened with respect to runs scored, wickets taken etc.

12. BOWLING RESTRICTIONS

- 12.1** No bowler may bowl more than one-fifth of the total overs scheduled for that innings. The penalty for infringing this rule is the deduction of 5 points from the team’s total for the season for each infringement. Wherever possible, umpires and/or scorers should alert captains when it appears likely that this rule may be infringed.
- 12.2** Captains should be aware of their responsibilities to all their players, and particularly to the directives for young fast bowlers in Appendix A. Infringements shall be penalised as per Rule 12.1.
- 12.3** Any delivery, of any pace, which passes or would have passed on the full above waist height of the striker standing upright at the crease shall be called and signalled no-ball.
- 12.4** For the avoidance of doubt, any and all deliveries which, after pitching, pass or would have passed above head height of the striker standing upright at the crease, shall be called and signalled no-ball, as mandated in the Laws of Cricket: Law 42.6(a)(ii)

13. POINTS

13.1 Points known as “result points” and “bonus points” shall be awarded as follows:

(a) Result Points: Winning team 20 points. Each team in a tie 15 points. Except in the circumstances governed by 13.1 (c), the team scoring the greater number of runs in the match shall be the winners. If the number of runs scored by the teams is equal, or the result under the provisions of 13.1(c) is a tie, the result shall be a tie. No account shall be taken of wickets lost.

(b) Bonus Points: No bonus points shall be awarded to the team which wins the match or to either team in the case of a tie.

Batting bonus points shall be awarded as follows:

No. of overs innings scheduled for	1 st batting point awarded at:	2 nd batting point awarded at:	3 rd batting point awarded at:	4 th batting point awarded at:	5 th batting point awarded at:
50	100	125	150	175	200
45	90	110	130	150	170
40	70	90	110	130	150
30/35	50	70	90	110	130
20/25	40	60	80	100	120

One **Bowling bonus point** will be awarded to the fielding team at the fall of the first, third, fifth, seventh, and ninth wickets. If a side is “all out”, 5 bowling points shall be awarded to the fielding team, regardless of how many wickets fell.

(c) In the event that a match is abandoned, then, provided at least 20 overs of the second innings have been completed, the result will be decided by the ELC method as defined in Appendix B. This will also indicate the number of winning/tie/bonus points to be awarded to the teams.

14. FORFEITURE OF POINTS

- 14.1** A 50 over innings should be bowled within 3 hours and 20 minutes, and a 40 over innings within 2 hours and 40 minutes. These times include allowances for the fall of wickets, and drinks intervals, but not for delays due to injury or other exceptional circumstances.
- 14.2** The Competitions Committee shall have the power to deduct points as deemed appropriate for non-compliance with the Rules of the League.
- 14.3** Where a team fails to fulfil a fixture on the original date specified by the Competitions Committee or on a substitute date agreed with the Competitions Committee and their opponents, the team responsible shall be deemed to have forfeited the match and their opponents shall be awarded points as if they had won the match. Where a club cannot fulfil all its fixtures for a given day, the first fixture to be cancelled must be that of its lowest team. Any Club forfeiting a game will be responsible for any legitimate expenses incurred by the opposition except in exceptional circumstances as determined by the Competitions Committee. Any such expenses should be intimated to the forfeiting team within 1 week of the match and must be paid with 2 weeks of the match. Any club forfeiting a game on the scheduled day of the game will incur an additional 5 point penalty.
- 14.4** Where member clubs wish to appeal against the penalties arising from sections 14.2, 14.3 or 14.4 above, they must do so within seven days of the date of the notification of the decision to the ESCA Honorary Secretary. Where member clubs wish to appeal against a decision made by the Competitions Committee, then any such appeal must be received by the ESCA Honorary Secretary within seven days of notification of the Committee's decision. Notification of appeal must include the grounds of appeal with reference to the relevant Rules, and a £50 deposit, which will be returned to the appellant club if the appeal is successful. The appeal will be heard by an Appeals sub Committee.

15. MATCH RETURNS AND COMPLAINTS

15.1 Match Returns

The home team in any East League match is responsible for completing the online summary (or full return) by the end of the day following the match and the full return by the end of the Tuesday following the match, including when a match is cancelled or abandoned. In the event of a failure to comply, the Competitions Committee will deduct 5 points for each and every offence from the total points earned during the season. Should any player not be registered then the Registration Number should be inserted as 000.

15.2 Complaints

Any complaint by a club in relation to any match must be submitted to the Discipline Officer within seven days of that match using the appropriate form. The complaint must be fully detailed and accompanied by a minimum of two WRITTEN witness statements. No complaint will be considered if this documentation is not submitted as specified above.

All players and officials participating in the East League are bound by the Cricket Scotland Code of Conduct and clubs, players and officials are deemed to know the content of the Code.

16. LEAGUE PLACINGS

League placings will be determined by expressing the points awarded as a percentage of the results points for a win in all completed matches. In the event that two or more teams have an equal percentage at the end of the season, the team having the greatest ratio of matches won to matches played shall be placed

above the other teams. In the event that this does not separate the teams, the points gained in the matches between the sides will determine the final placings; failing which the clubs shall draw lots.

17. UMPIRING AND SCORING

- 17.1** Wherever possible, umpires to East League games shall be appointed by the East of Scotland Cricket Officials Association (ESCOA).
- 17.2** Where no umpires are appointed under Rule 17.1, each club taking part in a game shall have the right to appoint one umpire. Such umpire shall not be one of the 11 players participating in the game. A team captain should inform his counterpart that his club has appointed an umpire at the earliest opportunity.
- 17.3** Where only one club chooses to appoint an umpire under Rule 17.2, that umpire shall normally stand at one end of the pitch throughout the match (i.e. at square leg and bowler's end for alternate overs). With the agreement of both captains, a single appointed umpire may stand at the bowler's end for every over in a game.
- 17.4** Where fewer than 2 umpires are appointed under Rules 17.1 and 17.2, the match shall be umpired by players or other convenient people operating in shifts.
- 17.5** No club shall have a right of objection to any umpire, no matter how they are appointed. All umpires, no matter how they are appointed, are expected to uphold the Laws and Spirit of the game, and make all decisions that are required with strict impartiality.
- 17.6** Wherever possible, each club shall appoint a scorer for each game, who shall not be one of the 11 players participating in the game. If a scorer is not appointed, the club must provide a standard "box-style" scorebook or score sheet.
- 17.7** If fewer than 2 scorers are appointed under Rule 17.6, the score shall be kept by members of the batting side not currently involved in the game. There must be 2 scorers recording the action at all times.
- 17.8** Where umpires are appointed under Rules 17.1 or 17.2, they shall agree the scores at the conclusion of each innings as mandated in Law 3.15 and 4.2. Where no umpires are appointed, the captains shall agree the scores at the conclusion of each innings. Each captain shall have the right to examine each scorebook, and the captains shall jointly resolve any discrepancies within or between the two scorebooks.
- 17.9** A scoreboard, legible from the pitch, must be provided by the home team. The scoreboard shall show, as a minimum, runs scored, wickets fallen, and the number of overs bowled. The scoreboard shall be updated at least at the end of every over.
- 17.10** All clubs are encouraged to support their members in attending training courses and sessions, in order to promote the highest possible standards of umpiring and scoring throughout the Association.

18. LEAGUE RULES

- 18.1** Each East League club shall have a copy of these Rules available at its ground at each League match. The copy can be hard copy or in electronic form
- 18.2** These Rules shall be capable of amendment, but only as provided for in the Constitution of the Association.

APPENDIX A : ECB MATCH DIRECTIVES FOR YOUNG PLAYERS

Age groups are based on the age of the player at midnight on 31 August in the year preceding the current season. Captains, Team Managers and Umpires are asked to ensure that these Directives are followed at all times.

Fast Bowling Match Directives

Age	Max. overs per spell	Max. overs per day
Up to 13	5 overs per spell	10 overs per day
U14, U15	6 overs per spell	12 overs per day
U16, U17, U18, U19	7 overs per spell	18 overs per day

For the purpose of these Directives a fast bowler should be defined as a bowler to whom a wicket keeper in the same age group would **in normal circumstances** stand back to take the ball.

Having completed a spell the bowler cannot bowl again, from either end, until the equivalent of overs to the length of his spell have been bowled from the same end. A bowler can change ends without ending his current spell provided that he bowls the next over that he legally can from the other end. If this does not happen, his spell is deemed to be concluded.

If play is interrupted for any reason, for less than 40 minutes any spell in progress at the time of the interruption can be continued after the interruption up to the maximum number of overs per spell for the appropriate age group. If the spell is not continued after the interruption the bowler cannot bowl again, from either end, until the equivalent number of overs to the length of his spell before the interruption have been bowled from the same end. If the interruption is of 40 minutes or more, whether scheduled or not, the bowler can commence a new spell immediately. Once a bowler covered by these Directives has bowled in a match he cannot exceed the maximum number of overs per day for his age group even if he subsequently bowls spin. He can exceed the maximum overs per spell if bowling spin, but cannot then revert to bowling fast until an equivalent number of overs to the length of his spell have been bowled from the same end. If he bowls spin without exceeding the maximum number of overs in a spell the maximum will apply as soon as he reverts to bowling fast. The limits on overs in a day will continue to apply across more than one game if a player plays in multiple games on the same day.

Safety Guidance on the Wearing of Cricket Helmets and Faceguards

The England and Wales Cricket Board has issued safety guidance on the wearing of cricket helmets by young players.

A young player should not be allowed to bat or to stand up to the stumps when keeping wicket without a helmet with a faceguard against a hard ball in matches and in practice. Coaches, teachers, managers and umpires should always ensure that a young player wears a helmet.

Players should regard a helmet with a faceguard as a normal item of protective equipment when batting against a hard ball, together with pads, gloves and, for boys, an abdominal protector (box). The faceguard should be adjusted to ensure that the size of ball being used cannot pass between the peak of the helmet and the top of the faceguard.

There is a British Standard (BS7928:2013) for cricket helmets and it is in the best interests of players to ensure that their helmet and faceguard conforms to this standard. The ECB is recommending that this guidance is followed by all players up to and including Under 18 age group players. It applies to young players in adult cricket as well as to all junior cricket played with a hard cricket ball.

Fielding Regulations

No young player in the Under 15 age group or younger shall be allowed to field closer than 7.3 metres (8 yards) from the middle stump, except behind the wicket on the off side, until the batsman has played at the ball.

For players in the Under 13 age group and below the distance is 10 metres (11 yards).

These minimum distances apply even if the player is wearing a helmet.

Should a young player in these age groups come within the restricted distance the umpire must stop the game immediately and instruct the fielder to move back.

In addition, any young player in the Under 16 to Under 18 age groups must wear a helmet and, for boys, an abdominal protector (box) when fielding within 5.5 metres (6 yards) of the bat, except behind the wicket on the off side. Players should wear appropriate protective equipment whenever they are fielding in a position where they feel at risk.

Coaching Regulation

Coaching shall not be permitted from the sidelines during a match. In such an event, the umpire shall request the coach/manager/parent to stop. If this persists, the umpire shall have the power to warn the offending team captain and manager that the matter will be reported to the Competitions Committee.

APPENDIX B :

ELC METHOD FOR DETERMINING RESULTS IN ABANDONED MATCHES

This uses a combination of the first team's score, the number of overs bowled* and the number of wickets in hand to determine a target score for the team batting second. The charts are for matches of 20 – 50 overs in multiples of 5. The appropriate chart is used depending on the length of the first innings.

To determine a team's target at a particular point in the innings, find the entry for the number of overs bowled and wickets lost. This figure is multiplied by the first innings score and divided by 100 to give a target. The resultant figure is rounded down to give the score for a tie with one more the target for a win.

*NOTE: The tables only indicate resources available for complete overs. The online ELC determines resources for overs and balls bowled and will be used to determine results and bonus points. The online calculator can be found at:

<http://www.eastleague.org.uk/rain>

Calculation of Bonus Points

The online ELC will indicate the number of bonus points for losing teams.

This works in the following way:

ELC not only gives us the winner but 2 useful pieces of information:

1. The winning margin
2. When the team bowling second loses, how many wickets they needed to have taken at that point to have won.

These can be used to calculate bonus points. Below are 2 examples to show this:

A 200 for 6 off 50	B 135 for 7 off 30
ELC: Team A wins by 22 runs i.e. Team B were 22 runs behind A so award team B bonus points based on 178 : 22 runs behind A (200-22=178)	

A 200 for 6 off 50	B 135 for 3 off 30
ELC: Team B wins by 34 runs However, had B been 135 for 6 then A would have won i.e. Team A were 3 wickets short of victory so bonus points awarded for 7 wickets (3 short of 10)

APPENDIX C : ESCA CHAMPIONSHIP

The Rules in this Appendix apply to the ESCA Championship and take precedence over any general ESCA League Rule that could overlap.

C1. PLAYERS

For a player to be registered to play in an ESCA Championship match, he/she must fulfil the requirements of one (or more) of the following categories of players.

- (a) Scottish Qualified Player
- (b) Resident Player
- (c) Paid Player
- (d) Overseas Amateur

The above categories are defined as follows:

- (a) **“Scottish Qualified Player”** shall mean a player who
 - was born in Scotland or
 - holds a UK passport and has a parent who was born in Scotland or
 - has been resident in Scotland for at least 183 days in each of the previous four calendar years.

Clubs will be permitted to register Scottish Qualified Players, currently playing outside Scotland, but they may only be registered by the club with which they were last registered and for which they last played. Registration of such players must take place prior to the current season in order for the player to be granted permission to play.

- (b) **“Resident Player”** is a player who is resident and has been resident in the United Kingdom (UK) for at least 90 days out of the 120 days before any match.

Consideration may be given by the Committee to waive some or all of the requirements for a Resident Player in suitable cases where the player has moved to Scotland through work or study or marriage or other acceptable reason.

No player may play as a Resident Player or Overseas Amateur if he/she has been a Paid Player at any time in the 36 months preceding any match. However, in the spirit of encouraging participation and where it is clear that the player is no longer a Paid Player and has moved to Scotland as above, this provision may be waived if the permission of the Committee is obtained prior to such a player taking part in any match.

- (c) **“Paid Player”** is a player who receives any of the following as a fee for playing, or as an inducement to play, or to facilitate their playing cricket :
 - payment in cash or in kind;
 - accommodation whether free, subsidised, or otherwise assisted;
 - employment, whether full-time or part-time;
 - payment in whole or in part of fares to the United Kingdom from that player’s place of abode.

For the purposes of these rules, the payment of reasonable travelling expenses is permitted without any player being deemed a Paid Player.

A cricket coach is not deemed to be a Paid Player for a member club unless he/she is paid directly or indirectly for playing cricket for that member club.

Any payment made to a player by Cricket Scotland, or to a player contracted by Cricket Scotland for playing in a match organised by Cricket Scotland, will not render that player as a Paid Player.

Any payment made to a Scottish Qualified player when playing in a trial or an occasional match for an English County will not render that player as a Paid Player.

Each club may register and play only one Paid Player. Where a Paid Player is unable to play for whatever reason, e.g. injury, national call-up or termination of contract, the registration of a substitute or replacement Paid Player may be approved by the Committee.

A Paid Player must possess a Certificate in Coaching Young People and Adults (formerly UKCC 2) or an acceptable overseas equivalent. There shall be no residency requirements for the one permitted Paid Player, but if sourced from outwith the European Union, then UK Border Agency regulations must be satisfied.

- (d) **“Overseas Amateur”** is a player who is less than 23 years of age on 31 August of any season in which he/she plays in the League. This category provides an opportunity for young players to come to Scotland from outside the UK to develop their cricket.

An Overseas Amateur must not have played first class cricket or List A cricket in the 24 months preceding any match.

Each club may register one Overseas Amateur. However, if a club has no registered Paid Player, a second Overseas Amateur may be registered provided that at least one of the two Overseas Amateurs possesses a Certificate in Coaching Young People and Adults (or an acceptable overseas equivalent). In that case, the player with the coaching qualification will be registered as a Paid Player.

Where the Overseas Amateur is unable to play for exceptional reasons acceptable to the Committee, the registration of a substitute Overseas Amateur may be approved by the Committee.

An Overseas Amateur must be registered and available to play by 30 June. This deadline does not apply to a substitute Overseas Amateur that may be approved as above.

Assistance by clubs:-

- (a) Clubs must **not** provide financial assistance towards air fares.
- (b) Clubs may help an Overseas Amateur by providing accommodation with a member. The club may also help in identifying suitable rented accommodation. The club shall **not** contribute financially to either of the above.
- (c) Clubs may help in obtaining part or full time employment for an Overseas Amateur. Work directly relating to the cricket club or paid by the cricket club shall **not** be permitted.
- (d) Clubs must, within the approved registration form, disclose full details relating to arrangements and payment for accommodation, airfares and employment. The Committee may request further information before considering the registration for approval.

C2. PLAYER REGISTRATION

- (a) The Committee will provide clubs with access to the PlayerReg system - <https://playerreg.co.uk/> - in which details of all players must be recorded.
- (b) In normal circumstances, all players must be registered on PlayerReg before playing in any Championship match. Details of players to be registered must be entered on PlayerReg no later than 12 noon on the Thursday ('48 hour' rule) prior to that player playing in his first match.
- (c) The Committee may require to see the passport of any player. Possession of a UK passport shall not of itself satisfy the requirements for any of the four playing categories above and shall not give an automatic entitlement for a player who possesses such a passport to be registered to play in any Championship match.
- (d) No club will be allowed to play their Paid Player or Overseas Amateur until it has received confirmation that all required documentation has been received and meets the requirements for registration. The relevant registration forms for a Paid Player and an Overseas Amateur are available from the Championship divisional representative.
- (e) In exceptional circumstances, a player (other than a Paid Player or Overseas Amateur) may be registered on PlayerReg before the end of Monday after the match. Away clubs must immediately inform the home club when this has been done. This timetable is to allow the home side to submit the full online match return on time. Clubs will be sanctioned if it transpires that a player registered after a match does not satisfy the requirements for a 'Scottish Qualified Player' or a 'Resident Player'.
- (f) No player may play in a Championship match, without the prior approval of the Committee, if he/she has played for any other club in any league or cup competition on a scheduled Championship match day in the same season. This restriction does not apply to students returning to their 'home club' nor to Scottish Qualified Players, who are currently playing outside Scotland and who have been registered by the club with which they were last registered and for which they last played. Registration of such players must take place prior to the current season in order for the returning player to play without prior approval.
- (g) Players wishing to transfer during the season to an ESCA Championship club from another club must provide the Committee with a written statement from the club for whom he/she wishes to play detailing the player's change of circumstances, together with a written statement from their previous club confirming that they have no objection to the change of club. The Committee has the power to overrule the wishes of the previous club. Such transfer requests after 31 July are unlikely to be approved.
- (h) Team sheets must be exchanged by the captains and a signed copy handed to the umpires before the toss can take place. Another copy must be handed to the scorers.

C3. GROUND FACILITIES

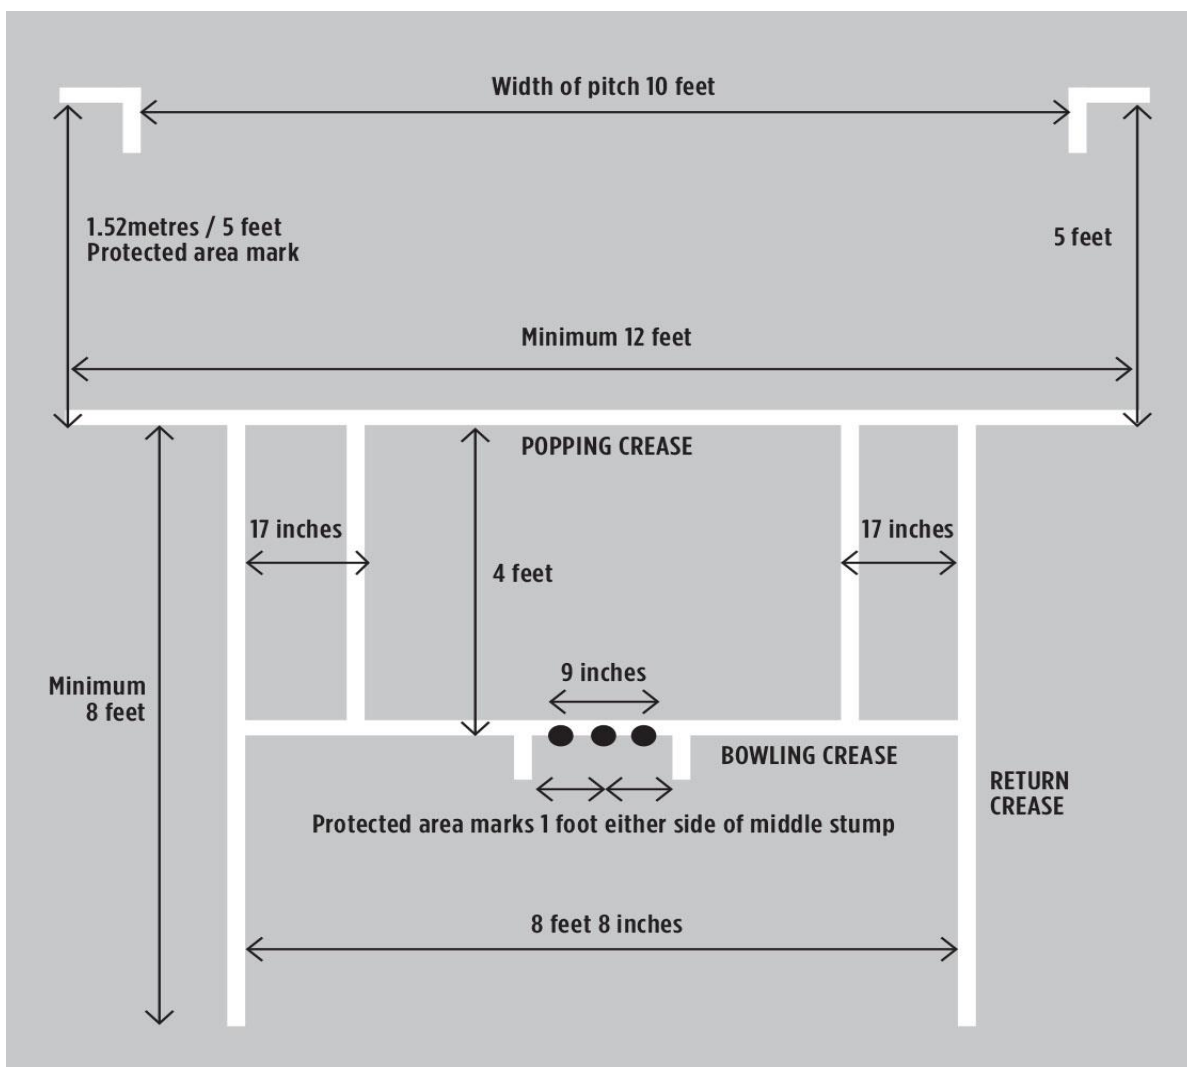

Clubs playing in the Championship must recognise their responsibilities for producing a satisfactory playing surface as well as ensuring that their grounds and facilities are up to an appropriate standard as shall be determined by the Competitions Sub-Committee. Any new ground must be approved by ESCA not less than three months prior to the start of the season.

All Championship matches will be played on grass wickets unless in exceptional circumstances and only with the agreement of **both** teams.

The Match / Pitch Report (Appendix C1) submitted by the umpires will be used to determine compliance with these ground requirements and to assess whether the quality of the pitch meets Championship standards.

C3.1 Pitch Markings

The pitch diagram below includes the offside wide lines (as required under 6. Bowling Restrictions). Please note that the back edge of the bowling crease bisects the stumps.

C3.2 Covers

- a) Covers must be used to protect the pitch from rain, both during the match and in the preceding days as required. Arrangements should be made for ground staff or other helpers to put the covers in place as quickly as possible. Covers must not allow water to seep through and clubs will be required to show that their covering arrangements are adequate to protect the pitch, taking into account the contours and draining characteristics of the ground.
- b) Wheeled covers are recommended. However, plastic sheets/tarpaulins can be used provided they are well maintained. Whichever covers are used they must protect an area of at least 21.35 metres x 3.65 metres (70 feet x 12 feet).
- c) In addition to the match pitch, clubs are encouraged to make every effort to ensure that bowlers' run-ups are covered protecting an area of 5 metres (length) x 3 metres (width) as a minimum behind each set of stumps.
- d) In addition, clubs are encouraged to make every effort to ensure that an area adjacent to each side of the match pitch to a size of 25 metres (length) and 3 metres (width) is covered (including wicket ends).

C3.3 Sightcreens

The structure and non-reflective surface of the sightcreens must be in good condition. They must be provided at both ends and must measure a minimum of 4 metres (13 feet) wide and 3.65 metres (12 Feet) high and must be completely outside the playing area. Newly promoted clubs will be given a season where sightcreens are not mandatory, but if they remain in the Championship for a second season, then they will be required.

The requirement for sightcreens may be waived, with the prior written approval of the Committee, if local circumstances or the contours of the ground preclude the provision of sightcreens.

C3.4 Scorebox

- (a) The numbers on the board should show, at least, Total, Wickets, Overs bowled and First Innings Total. They should be of adequate size to be seen from the far side of the playing area.
- (b) The scorebox must be clean, tidy and reasonably comfortable, with adequate table and chairs and full protection from the weather. A temporary structure will be acceptable. Umpires should be able to see the scorers' signals clearly, and the scorers should be able to see at least 90% of the playing area.

C3.5 Scorers

Each club must provide a scorer for every match and this scorer shall not be a player in the match. A failure to provide such a scorer shall give rise to a 2 point penalty on every occurrence after the second failure to do so in that season.

C3.6 Rollers

At least one light roller (75 to 100 kg, 1.5 to 2 cwt) must be available for use during the tea interval to the captain of the side batting second.

C4. MATCH DAYS

Championship matches shall, unless otherwise agreed by both clubs or where the Committee consider it necessary, commence at 12 noon. The scheduled hours of play will be from 12 noon to 7.10pm or from 1.00pm to 8.10pm. There will be two sessions of play, normally of 3 hours 20 minutes each, separated by an interval of 30 minutes. In matches with appointed umpires, the umpires shall, except for delays caused by exceptional circumstances, deduct 1 point from the bowling team's total for each complete over that is unbowled at the time calculated for the end of the innings, based on an allowance of 4 minutes per over.

In all matches which are scheduled to start at 12 noon and where the start of play is delayed or play is suspended due to inclement weather, the scheduled close of play may be extended to 7.40pm. This extension will not apply to matches which are scheduled to start after 12 noon. If a ball has not been bowled by 3.20pm (3.50pm for a 1.00pm start) the umpires will then abandon the match.

In Championship matches when playing time has been lost during the first innings, and, as a result, it is not possible for the team batting second to receive its full allocation by the finishing time of 7.40pm (or 8.10pm), the number of overs for the second innings shall be reduced in the interval by 5 over blocks at the rate of 5 overs per 20 minutes (4 minutes per over) down to 30 overs minimum. The second innings in a Championship match must therefore start no later than 5.40pm to ensure a 7.40pm finish for a match scheduled to start at 12 noon, or start no later than 6.10pm for a match scheduled to start at 1pm.

In these matches when it is impossible for the team batting second to receive its full allocation, its target score will be calculated as a % of the actual score achieved by the team batting first. The table below provides these percentages and it can also be used for matches that have been reduced from the start of the match, under Rule 11.3, to 45,40,35 or 30 overs and are then further interrupted.

Scheduled 1 st innings overs	2 nd innings 45 overs	2 nd innings 40 overs	2 nd innings 35 overs	2 nd innings 30 overs
50	95.0%	89.3%	82.7%	75.1%
45	100%	94.0%	87.1%	79.1%
40	n/a	100%	92.6%	84.1%
35	n/a	n/a	100%	90.8%
30	n/a	n/a	n/a	100%

Examples :-

1. Team 1 scores 187. Because of rain interruptions, the 2nd innings after the tea interval is due to start at 5.15pm. For a 12 noon scheduled start, that means only 2 hours 25 minutes (145 minutes) are left before 7.40pm. At 4 minutes per over, the 2nd innings will be 35 overs. So the Par Score for the tie is 87.1% of 187 = 162.9 rounded down to 162. The winning target for Team 2 is therefore 163.
2. A match scheduled to start at 1pm is unable to start until 2.30pm. 90 minutes have been lost, this equals 23 overs, so the match is reduced to 35 overs per side. After further rain interruptions Team 1 scores 160. The 2nd innings is due to start at 6pm, leaving 130 minutes before 8.10pm. The 2nd innings will therefore be 30 overs and the Par Score is 90.8% of 160 rounded down i.e. 145 for the tie. The winning target for Team 2 is 146.

Should further time be lost in either of these examples, then, so long as 20 overs have been completed before the game is abandoned or the scheduled finishing times of 7.40pm (example 1) or 8.10pm (example 2) have been reached then the result will be decided by the ELC method as defined in Appendix B.

C5. FIELDING RESTRICTIONS

- a) At the instant of delivery, there must not be more than 5 fielders on the leg side.
- b) Two semi-circles shall be drawn on the field of play. The semi-circles shall have as their centre the middle stump at either end of the pitch. The radius of each of the semicircles shall be 30 yards (27.43 metres). The semi-circles shall be linked by two straight lines parallel to the pitch. This fielding restriction area shall be marked by a continuous painted white line or white dots at 5 yard (4.57 metres) intervals, covered by circular white plastic or rubber (but not metal) discs 7 inches (18 cm) in diameter. At the instant of delivery, no more than 5 fielders shall be permitted outside this fielding restriction area.

C6. BOWLING RESTRICTIONS

- a) Profile Wides will be adopted for use in all ESCA Championship games and are defined as :-

A ball will be judged as Wide if it passes the striker behind their legs when standing in a normal guard position. If the striker moves across to the off side to play the ball and the ball passes behind their legs the umpire will have to imagine the profile of the striker standing in a normal guard position, and only provided that the ball would have passed behind this profile, will it be called a Wide. If the ball would have hit this profile it will not be a Wide.

If the ball passes outside the offside wide line as it crosses the bowling crease, then the Bowler's End Umpire will call and signal 'Wide'. It does not matter if the batsman has moved across to cover the ball. Provided the striker does not hit the ball, such a delivery must be called 'Wide'.

- b) Unlike other ESCA matches, high full tosses in the Championship are defined as in Law 42 6(b) of the Laws of Cricket, i.e. above shoulder height for a slow delivery but above waist height for any other delivery. All such deliveries are deemed dangerous and unfair and will be called and signalled No ball.

C7. UMPIRES

- a) Appointed umpires are each entitled to a match fee of £35. Each team pays £35 to one umpire, or £17.50 if only one umpire has been appointed. Umpires should be paid no later than the interval.
- b) Umpires will submit a Match / Pitch Report – see Appendix C1.
- c) The captain of each team must complete the 'Captain's Report on Umpires' – see Appendix C2. An online version is available via a team's match return log-in. These reports are essential to improve the standards of umpiring. Observations and constructive suggestions are encouraged. Failure to comply with this requirement may result in penalties being imposed.

C8. AUDIT OF A CLUB'S COMPLIANCE WITH CHAMPIONSHIP REQUIREMENTS

At the end of each season the ESCA Committee will audit each club's compliance with the requirements of the Championship. In the event that a Club has not met the requirements listed in this Appendix then the ESCA Committee may impose sanctions up to and including automatic relegation to Division 1.

APPENDIX D : DUAL REGISTRATION

An agreement can be made between two clubs allowing the lowest team players from one club to play for the lowest team in the second club. This agreement for 'Dual Registration' must be in accordance with the following:

- To maximise participation and to minimise the call-off of games.
- Not to assist teams push for promotion or avoid relegation.
- Clubs wishing to apply for dual registration must contact the ESCA General Committee clearly stating their reason(s) for applying.
- Application must be made prior to the ESCA AGM in the year preceding the season in which the dual registration is to be in force.
- In instances where a joint team is created it shall be deemed to be the lowest team for each club when considering the rules.

APPENDIX E :

ADJUSTMENT OF PLAYING CONDITIONS TO ACCELERATE MATCHES (EXCLUDING THE CHAMPIONSHIP).

By prior agreement (a minimum of 48 hours prior to scheduled start time) of both teams, amendments can be made to allow for a quicker completion of the game that do not materially impact the ESCA conditions of the game. Such amendments may include:

- 1) An earlier start time - see Rule 10.1.
- 2) An agreement to finish at 7pm, with an option to run to 7.30pm by agreement of both captains if a completed game is probable within the following half an hour with all outcomes still possible. If the game is almost certain to finish with a particular result, the game should finish at 7pm and ESCA calculator used for result to stand.
- 3) An agreement to bowl half the overs from one end and half from another end in blocks of five or ten overs to minimise change-over time between overs. In these circumstances, batsmen and (if required) umpires should swap ends after each over.
- 4) An agreement to turn around the innings in just ten minutes – with teams either bringing their own food to eat at their leisure, or the home team providing tea but it being available for players to help themselves at any time during the course of the match or after the game.
- 5) That any formal drinks break be waived.
- 6) Any other conditions that the teams might consider to quicken the game that do not materially impact on the match conditions (if a new consideration needs clarification, consult relevant Divisional Representative).
- 7) To ensure mutual understanding, all non-standard arrangements must be available on the match day for signing by both captains prior to the start of play.
