

## **RESULTS SYSTEM:**

Wickets allocated to bowlers now added to bowling figures automatically.

Team sheet facility:

- Has registration numbers.
- Automatically inserted into match return.
- Has spaces for match timings.

Match timings now start and finish of each innings with space for any delays:

- On team sheet so that hopefully if this is sitting by the scorers, they'll remember to fill it in.
- Last year many teams didn't complete. We will be asking why this year. We're trying to speed up matches but need your help.
- If you are concerned about the timings entered by the home team you can check and raise concerns with div rep. On your fixture list when you log on there will be a small clock icon when timings have been saved. Click on this to view them.
- Please only enter timings if you have them – don't make them up.

## **INTERRUPTED FIRST INNINGS:**

If the first innings is interrupted (or there is a delay during tea) then the second innings can be shortened before it starts. The rain calculator now has an option at the bottom REDUCED SECOND INNINGS CALCULATOR. Just put in the match timings so far and it will give you an alternative target for reduced overs.

### **IF BOTH CAPTAINS AGREE THIS IS NOW THE REVISED TARGET.**

The reduced second innings can be shown on the results by entering the number of overs for the second innings. Points will be calculated accordingly.

**This is optional for all divisions this year. Please look at it if the first innings is interrupted (or, indeed, if the second innings looks like it will be shortened by rain).**

### **FEES AND BALLS:**

If you haven't yet paid your subs, PLI (where applicable) and for your balls please do so immediately – details below.

If you didn't collect your balls at the pre-season meeting you will have to arrange to collect them from me a.s.a.p.

£70 per club plus £10 for each extra team (e.g. £80 for 2 teams).

£170 PLI for those clubs who have it through ESCA.

£11 each for red balls (in boxes of 6).

£9 each for pink balls (Masterton)

£10 for Masterton.

### **Payment by bank transfer (preferred option):**

Bank: Bank of Scotland

Account: East of Scotland Cricket Association

Sort Code: 80-02-77

Account Number: 00298560

Please email me after payment has been made.

### **Payment by cheque:**

Contact me for details.
